c. Semen will not be shipped to any mare unless a current credit card number and expiration date is on file with The BP Ranch or shipping is prepaid with a check or money order payable to The BP Ranch.

BREEDING ARRANGEMENTS:

1. **A non-refundable booking fee of \$ 500.00 is payable with this contract.** The balance of \$1000.00 and service charge for the collection of semen and shipping is due at the time of first shipment, pick up or insemination. It is encouraged to pay all fees as soon as possible to avoid any delay in shipping semen.

2. Collection days are Monday/Wednesday/Friday. Is the mare owner's and his/her veterinarian's responsibility to confirm our breeding/shipping days. If stallion is not available for cooled semen, frozen semen will be available with advanced notice

3. To guarantee shipping, the mare owner or agent must give at least 24 hour notice of possible semen shipment required to The BP Ranch and confirm shipment prior to actual shipment by 8 AM Mountain Standard time on day of collection.

3. Every effort will be made to accommodate your mare's breeding time frame; however, it is the mare owner's responsibility to keep in touch with The BP Ranch so that your veterinarian and ours can get your mare in foal in a timely manner. Failure to adhere to these arrangements may result in missed heats and delayed shipments, at the mare owner's expense.

4. If a mare dies or is deemed unfit to breed during the breeding season, a substitute mare (approved by The BP Ranch) may be bred without any additional breeding fee. No refunds given on any fees associated with this contract.

5. The mare owner agrees to have the mare checked by ultrasound no later than 18 days after insemination. If ultrasound is unavailable, the mare owner agrees to have the mare checked for pregnancy by a licensed veterinarian within 30 days of insemination. Mare owner agrees to provide The BP Ranch with the results of the pregnancy exam.

6. Limited live foal guarantee: A live foal is defined as one that will stand and nurse. If the foal is born dead, the mare owner agrees to furnish the stallion owner, within 7 days, a certification that the foaling was an attended foaling and deliver a written statement from a licensed veterinarian giving details required to substantiate the failure of the mare to produce a live foal. The mare owner will have the same right to substitute a different mare for the rebreeding provided that the substitute mare has been approved by The BP Ranch. In such a case return privileges will be available for one additional season only following the original contract season. Rebreeds must pay the rebreed chute fee and any shipping charges applicable. If the mare owners fail to rebreed the mare the following year after original contract, then any and all fees
